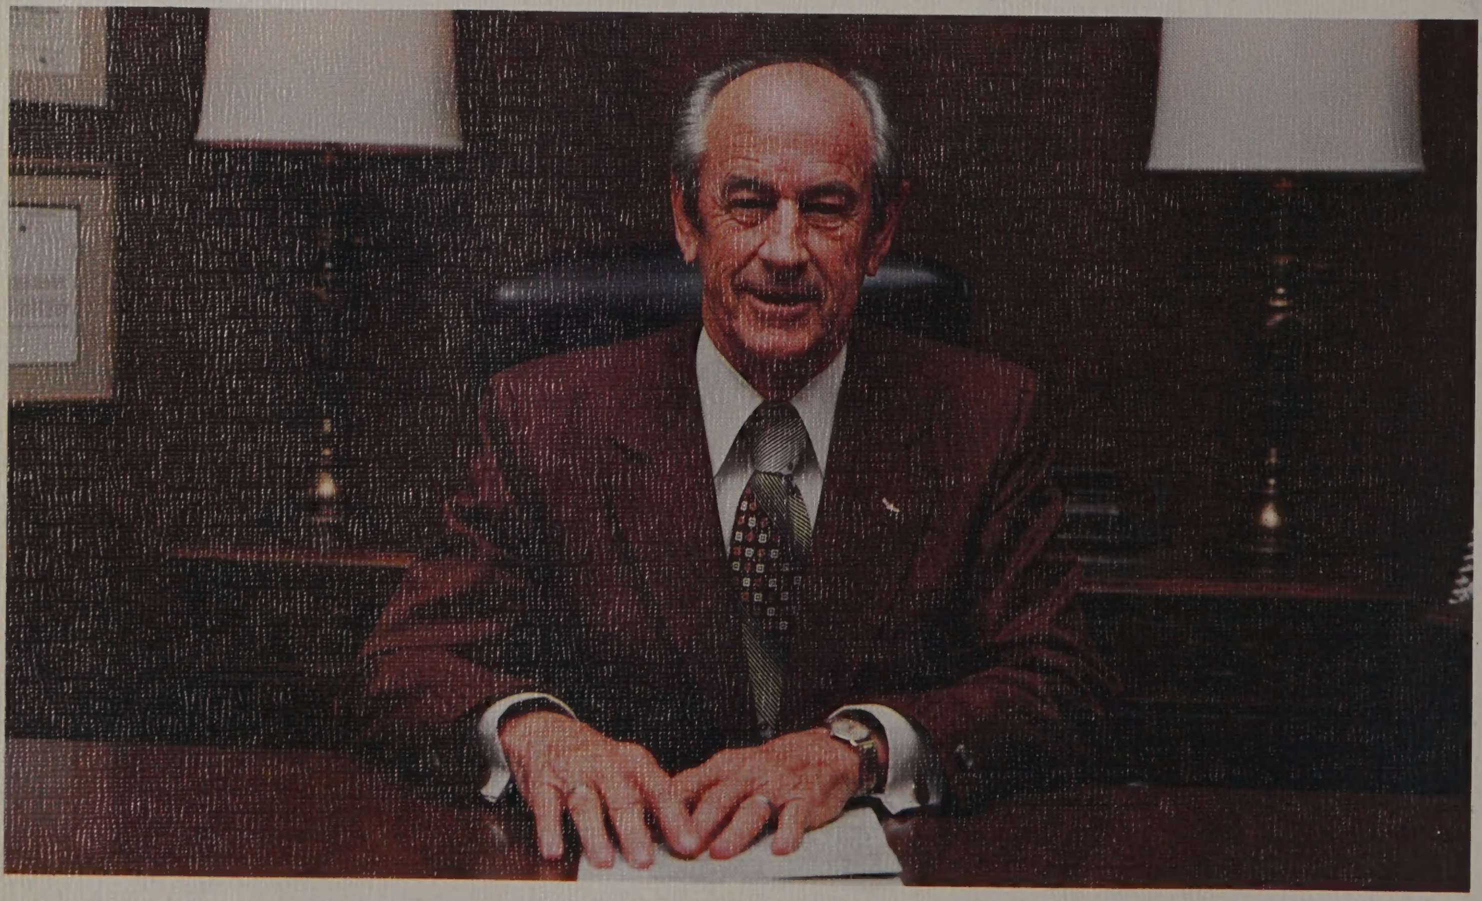
In Appreciation of Dr. J. J. Pearce

The students and staff of Pearce High School wish to dedicate Mustang '77 to a professional educator who himself is dedicated.

Dr. Pearce, on announcing his retirement effective this summer, ends 31 years as Superintendent of the Richardson Independent School District. With him at the helm, this district has grown from a single red brick schoolhouse, housing 351 pupils, to a 44-building educational network attended by over 37,000 students and repeatedly heralded as one of the finest school systems in our nation.

The native Texan has literally dedicated his life to one goal: helping each student develop to his fullest potential. Whether it be the receipt of a birthday card, a congratulatory note following an achievement or simply a friendly conversation in the hallway of a school, Dr. Pearce has touched the life of virtually every student in the district.

He has succeeded in molding a school system which is an integral part of this community — a community which looks upon education as its finest achievement and points to an individual who is responsible for that accomplishment. Such a leader is Joseph Jones Pearce, to whom we proudly dedicate this yearbook.



One of the State's Most Respected Educators

Dr. Pearce joined the Richardson Schools in July of 1946. Prior to this, he had taught one year in Princeton, Texas; had served as superintendent in Westminster, Texas for three years; he had been in a second superintendency in Celeste, Texas for 11 years, and he had completed three years in the United States Air Force, leaving that service at the close of World War II as a captain.

Along the way, he has found time for numerous civic and service organizations, having served in many capacities from director to president to member. Such groups include United Fund, Chamber of Commerce, Richardson Hospital Authority, YMCA, Dallas Association for Retarded Children, Rotary Club, Masonic Lodge and many others.

Dr. Pearce also serves his church, the First Baptist Church of Richardson, as a member of its Board of Deacons. He and his wife, Edith, have one son, Joe Alvin, and three grandchildren. One of the highlights of Dr. Pearce's career came last fall when the auditorium of Pearce High School was dedicated to Mrs. Pearce. Known as the Edith V. Pearce Auditorium, the facility is proudly used by students and by the community, serving as a lasting tribute to Dr. Pearce's wife and life-long partner.

(left page, top) Dr. Pearce prepares to hand the superintendency over to Dr. John Roberts; (left page, bottom) Dr. Pearce organizes for another working day; (right page, top right) Dr. and Mrs. Pearce prepare to enjoy his retirement; (right page, top right) Dr. Pearce expresses gratitude for the services of his secretary of 20 years.

"Blessed is he who has found his work; let him ask no other blessedness . . . even in the meanest sorts of labor, the whole soul of a man is composed into a kind of real harmony the instant he sets himself to his task."

—Thomas Carlyle, essayist and historian

Such a man is Joseph Jones Pearce,
the individual we honor with the
1977 Mustang annual.

Although this has been a good year, 1977 has a few of life's disappointments. Students were often found depressed about test grades, class ranks, losing football games, and not having Mrs. McGee for Senior English. Head Coach Jerry Bishop

Coaches Lead Mustangs

The coaching staff of the 1976 Mustang football team was very pleased with the continuous improvements the team made as the season progressed.

"The Mustang defense was the biggest asset this year," said Coach Jerry Bishop. "They consistently did their part in helping the team."

When commenting on the 76 offense Coach Bishop said, "They started out poorly but have improved since the first of the season and are continuing to get better."

The 1976 Mustang team, as a whole, made for some exciting football action this season.

Mustang defense this year had outstanding performances in many games. Especially in the game against Berkner, Pearce showed their strength by holding the score to a 13-7 Mustang victory. In the homecoming game against Paris, the Mustangs shined by allowing the Paris team just one touchdown. Outstanding defenders this year included Randy Andres, Jerry Robertson, Darren Wicker, and Ken Curran. The Mustang Defense, overall, played an important part in victories this year.

J.V. Season Is Packed With Action

A.

B.

This was a very exciting year for the J.V. Volleyball team. Under the new coach Jeannie Rodgers, the team was well organized.

They entered the R. L. Turner tournament and placed second out of some 16 teams, being beaten only by Nimetz. This was a very thrilling and tension packed tournament for the J.V.'s. They made the finals by beating Arlington in the final two seconds with help from Katrina Dornseifer, Karen O'Donnell and Diane Urey. A unified effort by and determination of all the team members were the main factors that placed them in such high ranking.

Swimmers Splash to Victory

Under the leadership of new Coach Larry Hayter, the Pearce Swim Team grew to a team 38 swimmers strong, including four divers. They started working the very first week of school with dry-land workouts. The team also prepared for the coming season by playing water polo. October brought daily workouts in the pool, morning and afternoon. Six a.m. sessions, Christmas holiday workouts and a lot of hard work paid off for the swimmers as both the girls and guys swim team finished with winning seasons.

Superstars made the season a great one and the future looks bright for PHS swimmers and Coach Hayter. The captains this year were juniors Sandy Blake and John Wood. Senior captains were Carol Hankinson and Eric Langford.

"The impossible is not out of reach," said Coach Hayter about the season and swimming, "it is just out of focus. It is, as you might say, just a figure of your unimagination."

Gymnasts Spring Into Action

This year's Pearce gymnastics team was a large group with several promising gymnasts. For the first time there were men's and women's teams. Both teams entered eight meets including regional and state. In December, the city meet was held at Berkner High School with the men's and women's teams winning second place for their efforts with individual awards going to members of the girls team.

With the dedicated help of the new coach, Diane Dawson, the teams went on to have an outstanding year as a Varsity team, "The team competed both for individual awards and team trophies," and according to Coach Dawson, "everyone exerted a terrific amount of effort toward earning the awards and the first Pearce Varsity letter to be awarded for gymnastics."

Containing only juniors and sophomores, the cross country team reaped eight individual awards and one team trophy during this year's season. In the meet held at White Rock Lake, clutch rival Richardson High School lost by 9 team points, thus giving Pearce a birth in the regional meet. In regional competition, upset was again the rule, as Pearce came within 9 points of qualifying for the state meet. Placing fourth, the Pearce team did very well, considering the competition involved over 30 teams. The Pearce cross country team will retain all of its members for next year's competition, which should prove to be even more fruitful than this year's season.

Kathy Raymond qualified for the state meet in Austin with her 5th place finish in regionals. At the state meet, Kathy placed 45th out of 100 people.

Administrative Changes Highlight Year

This year was Bob Stamps' first year as Principal of J. J. Pearce. Coming from the principal's position at Westwood Junior High, Mr. Stamps set about issuing new policies and enforcing old ones. While students found some of the changes unexpected (who wants to be here at 8:35 a.m.?), Mr. Stamps permitted us to have several assemblies, expressed an interest in all student activities, and enthusiastically directed his staff.

Mike Cavender, Sophomore Unit Assistant Principal, is in charge of Teacher Aides, Visual Aides, and textbooks.

The Senior Unit Assistant Principal this year is Dale Lowder. He was in charge of building keys, the switchboard, and master clock and bells. To everyone's surprise, the hall clocks were all synchronized to the correct time early this year; Yea, Mr. Lowder!

The Special Services Department is supervised by Assistant Principal Jack Huffman. His responsibilities include the Guidance Department, the new Auditorium, Assemblies, and Announcements.

Staff Aids in Daily Routine

These four pages are dedicated to the Staff of J. J. Pearce: the office secretaries, the guidance counselors, librarians, and special aide programs teachers. These people are all indispensable in making the daily routine run swiftly and in offering special services for teachers and students.

A new dimension to office work this year is the division of the departments: Senior Unit is still in the main office, but Junior and Sophomore Units have been relocated in B Hall. This arrangement is much more convenient for our growing student body.

English Department Writes On

Usual subject matter from Julius Ceasar to Grapes of Wrath to Hamlet greeted Pearce's English students. New teachers to the department included Larry Hayter and Sue Passmore, sophomore level; and Julia Diltz, junior and senior level, who replaced Judy Marcum in October. Trips to the planetarium livened up senior English by relating astronomy to ancient English Literature. Sophomores have already begun to dread the senior English student's curse: the Research Paper; and Juniors, once more, eagerly questioned Hester Prynne's fate.

Communications Department Sounds Off

The Communications Department contains a wide variety of courses: Music, Drama, Journalism, Art, and Industrial Arts. Stagecraft, a relatively new course to Pearce, which combines Drama with Industrial Arts, was taught for the first time by Mr. Benson. Another recent development in the Drama Department was the new auditorium. This year, all Stagecraft and Drama classes were taught in the auditorium and new classrooms. The first plays presented in the Auditorium were BEYOND THE FRINGE, directed by student actors, and GYPSY, which was a Department production.

The J. J. Pearce News Magazine and Annual Staff both received First-place awards for their work from an SMU Journalism workshop, the University Interscholastic League, and Texas High School Press Association. The two staffs were both the largest ever at Pearce. The Mustang Band was "the best ever," according to its proud members. One hundred and ninety-six strong, they have consistently won sweepstakes and made outstanding scores at University of Interscholastic League.

For the Choir, the highlight of every year is their Spring trip to Corpus Christi to participate in the Buccaneer Festival there. Choir members raised money for the trip by selling candy and coupon books during the year. The Choir also won solo contests sponsored by UIL and RISD.

The Art Department has always given Pearce students a chance to express themselves. Several local and national organizations sponsored exhibits and contests, and often scholarships were made available to students with outstanding talent. There were also many school exhibits, such as Art-A-Fest '77 and the Senior Art Show. Twice this year the Art IV classes practiced teaching art to Dover Elementary students; this year was the second time for the program, and so far it has been very successful. The Art classes designed posters advertising school events and brightened up our school by designing and painting classroom walls. The Art teachers, Mrs. Murphy and Mrs. Martin, are constantly looking for new ideas and opportunities to expand their department in order to offer students a wider variety of artistic outlets.

For those whose interests ranged from ancient to modern times the History Department offered a wide variety of history and government courses this year. Vocational Courses Prepare

The Vocational Department offered career oriented courses in a variety of fields. Some of the classroom courses available to students were typing, bookkeeping, and aviation. Aviation was a new and popular course which prepared students to attain their pilot's license. Offered exclusively at Pearce, students registered in large numbers for the new course taught by Mr. Jerry George. Programs such as DE, CVAE, VAC, and Fashion Merchandising continued this year as students took classes at Pearce in the morning and worked at doctor's offices, department stores and other business enterprises in the afternoon.

Seniors Aroused School Spirit

This year the Seniors provided Pearce with many unforgettable moments. In order to earn money for their Prom, they sponsored a car wash, disco-dance and talent show. The newest addition to the Senior class was a select group of Senior guys who called themselves the Gazorps. They always succeeded in breaking the monotony of school and also arousing spirit at the pep rallies.

Homecoming Was Full of Memories

Homecoming was a time for many of the Seniors to reunite with old friends from last year. Many of them worked extremely hard this year decorating the traditional hall and were awarded for it by winning first place and the sweepstakes award. During the festivities Tami Hill was chosen as the Senior Class princess and Lisa Israel was chosen as the Homecoming Queen for 1976-'77. Homecoming is a very festive time set up for the graduates to come home, but next year the Seniors of '77 will be the ones coming home.

Life is a storm

The Game of Life occasionally has stormy times in store for its players. Anger, hate, frustration, and hurt heave people about as a stormy wave heaves a small boat about. After the storm, the boat sails safely on toward its destination. Peoples' emotions also head in the correct path, having gained a new strength.

Reflections

As we look at the events of this last year at Pearce, we see a reflection of ourselves. Our actions, thoughts, and emotions stare back from our memory, revealing to us our true nature. These memories will also allow us to accept ourselves as what we truly are in our own eyes. Hopefully, we will be able to see the reflection of a beautiful person in this mirror of life.

Homecoming is time for winners

With preparations starting two weeks early, Homecoming '76 turned into a success. During Homecoming week, there were dress up days; hall decorations to the theme, "The Old West"; rehearsals for the Homecoming Revue; and nominations for class princesses and homecoming queen. As the week ended, the winners were all announced. In the category, clubs under 50, first place went to the Speech club. In clubs over 50, the Senior class won the grand prize as well as the prize for best run through poster. When the game finally arrived, the suspense was broken with the announcement of the Homecoming court. Homecoming queen for 1976 was Lisa Isreal; Senior princess was Tami Hill; Junior princess, Julie Hughes; and sophomore princess, Suzy Solomos. Winning the game, the Mustangs caged the Wildcats with a final 26-6 score.

Mustang Band performs Homecoming Revue

The Mighty Mustang Band put on their third and finest revue this year. This was the first year for the new auditorium and the band put on a successful show. Some of the favorites were seen again, like the Pasquale Brothers and a return engagement of Scott Dalrymple as Elton John. Jill Bradley again knocked out the crowd with her sensational voice. The new favorite for the Revue was Senior Danny Clayton as Elvis Presley. The Band has continued a great tradition and the future looks bright for the Homecoming Revue.

Drama Department produces hits

A.

Early in the year, the drama department supervised the production of "Beyond the Fringe." Its cast of only four, delighted the audience with English comedy which was the forerunner of Monty Python. With proceeds from "Beyond the Fringe" and other financial support, the drama department presented "Gypsy" in early December. It was a delight to the audience to see the triumphs and tragedies of the two main characters, Rose (played by Jill Bradley) and Louise (played by Jenny Drake). It was a memory which will last for all who saw "Gypsy."

Spirit Drivers cheer for teams

This active group of Junior and mostly Sophomore girls did their part in promoting spirit throughout the student body. During the meetings two mornings a week, they learned routines and decided upon activities. Among the events decided upon, the 1976-77 Spirit Drivers held a magic show and a victory dance during Football season. A new group was formed this year to cheer at Basketball games.

Cheerleaders generate school spirit

With help from an enthusiastic student body, the cheerleaders exhibited some creative ideas. They developed a new approach to the pep rallies by using skits, contests, and competitions. This talent shown by the cheerleaders was recognized at a Summer workshop at Sam Houston State University. There they won five first place ribbons, received the Superstar Award, won the Spirit Stick, and were selected for the award of excellence. With all these new ideas and talent, the cheerleaders of 1976-77 formed an exciting and inspirational year.

Spirit Is Exhibited by Sophomore Cheerleaders

A.

This group of enthusiastic sophomore girls led cheers and raised spirit at the "B" team football and basketball games, under the leadership of their new sponsor, Betty Wonderly. They also performed at the pep rallies for the sophomore section during competitions between the classes. Besides all the spirit they exhibited for the sophomore class, they also yelled in the Spirit Drivers for the Varsity football and basketball teams.

Last year in an attempt to add more spirit the Wranglers bought a 1950 red Studebaker truck to take the cheerleaders to and from the games and to pull the horse that the Booster club donated in 1970. This year the club of four members actively showed school spirit at the pep rallies and games.

Pacesetters excel

While raising and exhibiting spirit through their dance routines, the Pacesetters of 1976-77 displayed much talent. This talent was recognized at St. Edwards University in Austin, where the officers received 36 first place ribbons, the camp sweepstakes trophy, and a first place competition trophy. The captain, Lynn Balme, received the Individual Camp Superstar Award.

During the year, the Pacesetters marched in the Homecoming and Christmas parades, and presented their own Pacesetter Revue, bringing back an old tradition. The theme of this year's Revue was "Broadway thru the Years." Each squad danced or performed skits. Also, the officers, managers, Seniors, and Juniors performed routines as groups.

Christianity Forms Friendship Bonds

A bond between athletes and Christianity was formed when the Girls Fellowship of Christian Athletes was founded in 1972. This same bond is evident in this years club. Together they formed a Christmas canned foods drive and supervised children at camp. They also went on hay rides and went Christmas caroling. The Christian attitudes among these girls created a bond for lasting friendship.

Mighty Mustang Band Enjoys Superior Ratings

Much of the credit for this year's fantastic Mustang spirit belongs to the Mighty Mustang band. They kept our spirit raised by performing at football games, marching through the halls at home games, and performing at pep rallies. Besides supporting our school through these activities they entered many contests. They received superior ratings at a marching contest and entered many U.I.L. contests, including the Buccaneer Festival in Corpus Christi. To help raise money for their trip to Corpus Christi, the band sponsored many money-making projects. One of which was the 1976-77 Homecoming revue.

out there . . .
And none of us have ever
seen it or felt it.

I share similar
difficulties. Life
is often hard, but
friends make it
bearable. Keep in
touch, be good and
have fun. As the school
year 1977 comes to a close,
look back and cherish
the good times and learn
from the bad. Stay sweet
and only love Mark
if he truly loves you.
Love ya!
